Sir
In Reference to your letter of August 17.07
I beg to say that I think some mistake
has been made. I received notice from the
Commissioner of Indian Affairs that he had issued
his certificate authorizing a deposit of \$220
but have since that time been notified
that that certificate had been cancelled & on
the \$200 substituted.
In making payment in full for the said
A 144-30-11-145 I based the statement
forwarded by your name to the manager of
The Union Bank of Canada, Ch. & was
under the belief that a draft had been
forwarded your company principal & interest to
date. I might state that after the inspection
of my investigation works I was notified by

The Commissioner that some something about
\$1000 will be needed me but on my writing
explaining that some things in the Inspectors
report were badly covered, the sum of \$220

was raised.

Hoping that the mistake will be fixed up

Very truly

Sir:-

With reference to your application to divert water from Playle Creek on the S.W.¹/₄ of sec. 32, tp. 11, rg. 1, West of the 5th Meridian, for irrigation purposes, and your further application to purchase certain lands under the irrigation system, I am advised by Head Office at Ottawa that you were recently notified of the reduced amount to be credited to you in completing arrangements for the sale and that you claim you have not previously been informed of the change in the amount, nor of the reasons therefor.

In connection therewith I would say that the original certificate showing that you should be credited with the sum of \$120.00 was issued upon the understanding that you were purchasing the North-west quarter of sec. 30, South-east quarter of sec. 31 and the South-west quarter of sec. 32 in the same Township and Range. However, in your letter dated March 28, 1906 you stated that you were buying only the North-west quarter of sec. 30 and not the other two quarter-sections and such being the case the proportionate amount to be credited for construction of the works for the irrigation of the North-west quarter of 30 amounted to \$200.00, which accounts for the reduction in the amount with which you should be credited in purchasing the said North-west quarter of sec. 30 under the irrigation system.

SPECIAL ATTENTION
PLEASE HUSH

Dear Sir:

I would appreciate your making a search of your records to determine if at any time my former husband, now deceased, RAYMOND VIOLETTE, (Also known as TOM VIOLETTE), ever took out a Homestead in Canada or ever became a citizen of Canada? Mr. Violette and I lived on a farm about 25 miles south of the Town of Macleod, Alberta, Canada, from about the spring of 1904, until about the summer of 1921. In the summer of 1921 we moved to Blairmore, Alberta, and lived right in Blairmore until about the spring of 1923, when we moved to Spokane, Washington.

Raymond Violette, also known as Tom and Thomas Violette, to the best of my knowledge, was born in about the year 1860, in Van Buren, Maine. I married him in about March of about 1900 under my maiden name of Cora Beatrice Bourdon, at Missoula, Montana. I was born at St. Albans, Vermont on July 13, 1863. This was my first marriage.

The Immigration authorities have requested me to write to you to determine whether or not I have ever lost my native American Citizenship through the possibility of my former deceased husband, RAYMOND VIOLETTE, also known as TOM VIOLETTE and THOMAS VIOLETTE, ever having filed on a Homestead or by having taken out Canadian Citizenship between the years of about the spring of 1904 until about the spring of about 1923 while we lived at Macleod and Blairmore, Alberta, Canada. All I seem to recall is that Mr. Violette had told me he had purchased the farm land near Macleod, Alta., Can., from Tom Gotte or a similar name.

Raymond Violette, at the time of his demise was known as Thomas Violette, and according to St. Anthony's Rectory at Missoula, Montana, died at the age of 43 and was buried in St. Mary's Cemetery, Missoula, Montana, on Jan. 6th, 1925. I believe the age they stated is incorrect as I am positive he was at least 21 years older than I, so he would have been born in about 1862. I state this discrepancy in his age, as it is possible it was given incorrectly on your files.

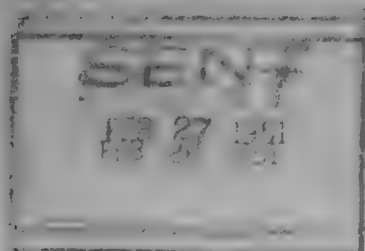

Trusting you can give this matter your immediate attention, and thanking you, I am,

Very truly yours,

Cora Beatrice Swiggart

Dear Madam;

I have for acknowledgment your letter of the 19th February, wherein you request certain information concerning your late husband Raymond Violette (also known as Tom or Thomas Violette).

Our records disclose that one Thomas Violette made application for homestead entry on the 22nd April, 1904 for the SW₁ of 20-6-26-W 4th and in his sworn statement dated the 15th February, 1909, in support of his application for patent which he received on the 27th May, 1909, he gave his age as 45 years. He was naturalized on the 16th October, 1908.

Mr. Violette's places of residence are shown as Exelme, Macleod and Blairmore all located in the Province of Alberta.

DOMINION LANDS ADMINISTRATION

OTTAWA, 4th September, 1928.

Sir,-

N.W. 1/4 Sec. 12 Tp. 51 Rge. 13 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Winfield Wilson, ...
Laroy,
Alberta.

Acting Commissioner
of Dominion Lands.

S.W. $\frac{1}{4}$ of Sec. 20 Tp. 52 Rge. 16 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Dear Sirs:-

Mr. Schmidt's patent to the above mentioned land includes all portions of said quarter section not covered by the waters of Bear Hills Lake, the total acreage at date of survey of August 11th, 1900 being 114.00 acres.

Mr. Schmidt claims that a portion of the said quarter section is now covered by the lake and that according to a re-survey made about a year ago, he is now entitled to 46.00 acres more land.

Will you please advise us what procedure is necessary to have this additional land included in Mr. Schmidt's title, and greatly obliged.

Referring to your memorandum dated 14th June on file 841000 herewith, Bearhills lake which affects the northeast quarter of section 12, township 46-26-4 was surveyed in 1918 by H.M.R. Soars, D.L.S. It was classified as a permanent lake having a bank subject to variations of moderate amount. If the lands had not been patented when the latest township plan was issued no water area would have been shown in this quarter-section and the area would have appeared as 159 acres. The area shown on the original plan was 114.5 acres and the area of the accrued land is therefore forty-four acres and five tenths of an acre (44.5 a.).

Sir: -

I am directed to acknowledge the receipt of your letter of the 6th instant, stating that Mr. Henry Lund was recommended for patent for the S.E. 1/4 of Section 34, Township 38, Range 2, West of the 5th Meridian, on the 5th May, 1905, and that his patent therefor has not yet reached your office, and to say in reply that Mr. Lund's application was duly recommended as above stated, but the issue of the patent was stayed, owing to the fact that Messrs. Greene & Payne, Barristers, of Red Deer, Alta., who had filed in the Department in 1903 a relinquishment to the Crown from Mr. Lund of two square acres in the North West corner of Legal Subdivision 14 for the purpose of a cemetery, have failed so far to advise the Department, as they were requested to do, whether the Applicant for a grant of these two acres for cemetery purposes had complied with the Provincial Statute with regard to cemeteries, and to remit the usual patent fee of \$10.00.

There appears, however, to be no objection to a patent being issued forthwith in Mr. Lund's name for

George Roy, Esq.,

The Registrar,

Land Titles Office,

Edmonton, Alta.

for the said quarter section, less the two acres above described. The matter will, however, remain in abeyance until you are further heard from.

A copy of this letter is being sent to Messrs. Greene & Payne for their information.

I am directed to acknowledge the receipt of your letter of the 6th instant, stating that Mr. Henry Lund was recommended for patent for the N.E. 1/4 of section 34, Township 28, Range 2, East of the 1st Meridian, on the 6th May, 1908, and that his agent therefore has not yet reached your office, and in reply to inform you that the application was duly represented as above stated, but the term of the said application expired, owing to the fact that Messrs. George & Payne, Solicitors, of New York, Ill., who had filed in the Department in 1907 a relinquishment in fee from Mr. Lund of the lands covered by the said application of equal subdivision 14, for the purpose of a cemetery, have failed to file the same with the Department, as they were requested to do, and the application for a patent of these two acres for cemetery purposes has expired with the expiration of the term of the said application, and in view of the small patent fee of 10.00.

There appears, however, to be no objection to a patent being issued for the same, and the same may be issued for the same purposes, under the same name as above described. The same will, however, remain in abeyance until you are further heard from.

A copy of this letter is being sent to Seattle.

Dear Sir. With regard
to the enclose form I
have tried to fill it up
as well as I could.

I can see no reason
why any one should
find reason to report
me for failing to do my
best to comply with
the Land Act provisions.

After my stroke of bad
luck owing to ill health
I went to work at clearing
the brush off my place
and getting the land

ready for hay or breaking
besides doing my road
work (taxes), and would
have went on with my
fencing but they were
busy on the right of way
for the Deer Park fence
& I wished to let them
finish before starting.

Last winter was a bad
winter for blacksmiths &
now I am compelled to go
some distance to obtain
work on railroad construction
but expect to be able to
carry out my obligations
with regard to the horses
when I return.

Dear Sir

Your favor of the 16th inst
to hand, respecting my interest
NW 1/4 of Section 10 Township 54 1 range 10
west of the 10th Meridian. I write
to beg an extension of time for one
year. My reason for so doing is
that work was scarce last
winter in this district for blacksmiths
-which is my trade- and I was out
of employment during most of the
winter, but am at present in a good
situation and would like to stay
with it for some months yet. So
that I would have more money
to put into improvements on
homestead. The Agent of Dominion Lands

refers to be in residence on 1st May.

Re H. O. Letter of the 17th inst. File # 841157.
I beg to report that the entry for the H.O. 12-54-80-
W4M was cancelled on the 19th of June prior to the receipt
of Mr. Wilkinson's letter to the effect that he was in
residence on the Homestead. It would appear that the cancell-
tion clerk had taken H. O. letter of the 17th of April
as authority to cancel the entry and had overlooked the fact
that a defence had already been filed by the Homesteader.
The question was re-estimated for the 25th instant by
Mr. Watson of Ft. Saskatchewan. He is being warned not
to go into residence or make any improvements thereon un-
til advised that his claim is confirmed. The Homestead
Inspector is being instructed to call and report on the

MEMORANDUM:

Please say whether the cancellation of Mr. Wm. A. Wilkinson's entry for the N.W. $\frac{1}{4}$ of Section 10, Township 54, Range 20, West of the 4th Meridian is to stand and the present entry confirmed, or whether the present homesteader, Mr. Whitson, should be given thirty days to show cause why his entry should not be cancelled on the grounds of misrepresentation with a view of reinstating Wilkinson.

Mr. Wilkinson homesteaded the land on the 7th of October, 1905. Cancellation proceedings were instituted on the 2nd of February, 1907. In his defence he claims illness prevented him from performing his duties, and on the 12th of April last he was advised that unless he satisfied the local Agent at Edmonton by the 1st of May that he was in residence, his entry would probably be cancelled.

The Agent cancelled the entry on the 19th of June last, taking as his authority for doing so, our letter of the 12th of April authorizing him to hold over proceedings until the 1st of May. The Agent should not have taken this action without instructions from this Office.

The Agent sends here a letter dated the 21st of June which he received from Mr. Wilkinson, who stated that he had lumber on the land for building a house, and that he intended going on with the cultivation duties. The Agent was asked to obtain a very careful report on the land by the Homestead Inspector.

On the 9th July the Agent granted re-entry to Mr. Whitson, but the Agent warned him not to take possession of the land until the matter had been settled. Mr. Whitson did not pay anything for improvements when he made entry.

The Inspector's report dated the 28th ultimo, shows that Mr. Wilkinson lived upon the land during the months of June and July in 1906 in a tent, and that he has been on the land from Saturday to Monday each week this season. There is a house on the land worth \$75.00, stable worth \$5.00, and half an acre of breaking worth \$3.00. The Inspector states, "Is working in Ft. Saskatchewan at present, and claims he is putting every dollar he earns on his homestead, and is going into residence permanently this winter."

Respectfully submitted,

J. W. Greenway, Esq.,

Commissioner of Dominion Lands.

On the 18th of June last the entry of Mr. Wm. A. Wilkinson for the H.W.10-24-20-W4M was cancelled in default and on the 9th of July, Mr. D. S. Whitson of Fort Saskatchewan was granted entry for this section. Subsequent to Mr. Whitson's entry a defence was filed by Mr. Wilkinson and the matter was referred to Head Office. On the 10th of October last instructions were issued from the Department to cancel the entry of Mr. Whitson as it had been improperly granted and to allow Mr. Wilkinson the reasonable time within which to go into residence. Mr. Wilkinson has since been reinstated in his entry but Mr. Whitson's fee has not been refunded to him and he has now made application for a refund of the \$10.00. Please advise.

"The entry to Whitson was improperly
granted and should be cancelled. Wilkinson's entry
can only be restored, however, upon his going into

This action has been carried out.

Whitson has applied, through the Agent

There would appear to be no objection
to this refund being granted but for the fact that, when
making entry Mr. Whitson made no mention of the im-

Referring to your letter of the 12th ultimo, files 55330 and 82471, I beg to inform you that the case of Mr. P.J. Ryckman has received careful consideration, and it has been decided that when he sold his homestead he discontinued to hold it, and therefore is not entitled under the Act to a pre-emption entry.

Under the circumstances, the pre-emption entry acquired by Mr. Ryckman for the North East 1/4 of Section 17, Township 7, Range 26, West of the 4th Meridian was illegal, and must be cancelled. This will be your authority for taking the necessary action, and disposing of the land in accordance with the regulations.

If Mr. Ryckman desires, he may secure a purchased homestead entry, and you should so advise him.

Sir,

Replying to your letter of the 29th of May last, respecting your application for purchase of section 22, township 57, range 20, West of the 4th meridian, I am directed to say that as all homestead lands have been withdrawn from sale for the present your application cannot be entertained.

Odd-numbered sections are not open at present for homestead and pre-emption; and it was not found possible to proceed last Session with the Bill respecting the proposed amendments to the Dominion Lands Act, and, therefore, no legislation has yet been passed in the matter.

MEMORANDUM : -

PAT.

FBAC.N.E. 1-23-57-20-W.4th Meridian. Appli-
cations of Mr. Fasiourir, Mihita Murzozan-
sky and W. Domsey.

Mr. Fasiourir asked that the fractional portion of the quarter section, West of the River, be added to his homestead; Mr. Murzozansky that he be allowed to purchase Legal Subdivisions 9 and 10 and Mr. Domsey that he be permitted to purchase the whole of the fractional quarter section.

Your decision was that a report should be obtained from a Homestead Inspector. (My memorandum of the 28th December, 1908, marked).

Mr. Homestead Inspector Doze now recommends that Mr. Murzozansky be allowed to purchase those portions of Legal Subdivisions 9 and 10, East of the River, and that Mr. Domsey ~~should~~ be permitted to acquire Legal Sub-division 16.

The Inspector adds that Mr. Fasiourir has cancelled his entry.

Please see the township plan, annexed hereto, on which the land the Inspector recommends be sold to Mr. Murzozansky is shown coloured green, his homestead, which has been patented to him, and which contains 153 acres, hatched in blue, the parcel the Inspector recommends Mr. Domsey be permitted to acquire, coloured yellow, and Mr. Domsey's homestead, which has been patented to him, and which contains the theoretical area, hatched in green.

Frac. N.E. 23- 57- 20- W. 4-
West of River.

Mr. Jacob Kuzmak, the homesteader on the S.E. $\frac{1}{4}$ 26 - 57 - 20 - West 4th Meridian applies, through Mr. J. R. Boyle of Edmonton, to purchase this land.

The area of Mr. Kuzmak's homestead is 105.2 acres, and the parcel applied for contains 23.6 acres and is available, according to the records here.

If this sale were allowed Mr. Kuzmak would control about a mile of water front.

In my opinion the homesteader on the N.W. $\frac{1}{4}$ of 23 - 57 - 20 - West 4th Meridian, should be given the first chance to acquire this fractional piece of land.

Dear Sir :-

With reference to application of Jacob Kunkin to purchase fractional legal sub-division 78, of section 11, township 27, range 1, T4N.

I received a letter from the Honorable Frank Oliver in January last saying that the Department had decided to grant this request, and I have not a memorandum in my files as to Mr. Kunkin's address. I have tried two or three times to find out what his address is, but have always been returned. I am satisfied that he is very anxious to purchase this piece of land, but as an oversight of mine I failed to send a copy of his post office address. If he does not appear within the required time I shall the Department will very well grant the extension of 30 days in order to be sure he has received notice, as I am satisfied he has not yet received it.

Abstract: The purpose of this study was to determine the effect of a 12-week training program on the physical fitness of 10-year-old children. MEMORANDUM:

DEPT. OF THE INTERIOR

18-14-1803

18-14-1803

Mr. Hyley.

John Franklin owns Section 27, and that part of Section 21 North of the Waterton River, in Township 1, Range 27, West 10th Meridian, and wishes to purchase that portion of the S.E. 1/4 of 28 which lies North of the Waterton River. This quarter, I understand, is a stock watering reserve, but Mr. Franklin claims that the access to the water is through the portion of Section 21 which he owns, and that the reserve will now be of no value. Please report on it.

Commissioner.

Mr. [unclear]

Dear Sir

I enclose

Yours
J. H. [unclear]

Department of the Interior,

Ottawa, December 11th, 1903.

Mr. Hyley,

With reference to the Commissioner's Memorandum hereunder I beg to say that Mr. F. W. Burley reported upon the South half of Section 28 lying North of the Waterton River, Township 5, Range 27, West of the 4th Meridian. He did not drive down to the River but went along the trail about two miles North. He found the country was not fit for agricultural purposes being very stony and much better adapted for grazing purposes. He made enquiry from Mr. B. Herring in regard to the reservation and considers that Mr. Herring's judgment on the matter is right. He submitted a letter from Mr. Herring in which the latter states that it would be better to have the reserve continued as there is a large stony country North of that district, but if it should be decided to reduce the Reserve to half a mile it would be better to have the South West quarter left as the banks are lower and make a good watering place. From the statement of Mr. ^{H.} Burley it would appear that the South West quarter of the Section is the only portion which is ^{absolutely} ~~apparently~~ required for a Reserve, it might be well, however, to refer the matter to the Inspector of Ranches before deciding to withdraw the South

East

(2)

East quarter. The location of the lands in relation to the River including the portion of Section 21 North of the River which Mr. Franklin states he owns is shown on the sketch hereunder.

Registrar.

August 2nd, 5

Sir,

In connection with the registration of food grain and relief liens.

The Registrar of the Land Titles Office at Calgary desires to find out the total number of acres in each of the following sections, namely, 14, 15, 16, 17, 18 and 19, Township 5, Range 17, West of Fourth, and I shall be pleased if you will let me have this information at your earliest convenience. This land is fractional sections, lying on the Belly River, West of the Flood Reserve.

Your obedient servant,

Commissioner.

E. Deville, Esq.,
Surveyor General,
Ottawa, Ontario.

August 1903,

5

Sir,

Replying to your letter of the 20th ultimo, regarding the property described as 076-5/10 acres in sections 16, 20, 21, 27, 28 and 29, Township 5, Range 17, West of Fourth.

I am unable to give you at the present time the exact number of acres in each section, but I suppose this land could be described in fractional sections, lying east of the Belly River, Township 5, Range 17, West of the Fourth. I am however, writing to the Department at Ottawa for the information which you require regarding the acreage in each section, and hope to be able to give you this information within a very short time.

Yours obedient servant,

Corrington.

Gilford Taylor, Esq.,
Registrar, Land Titles Office,

August 14th, 1915.

The Commissioner of Immigration,
WINNIPEG,
Manitoba.

Sir:-

I am in receipt of your letter of August 3rd, your file 135003, asking the area of sections 16, 20, 21, 27, 28 and 29, tp. 5-27-4, for the information of the Registrar, Land Titles Office, Calgary.

There appears to be some mistake in your letter as section 1 is the only section in this township crossed by Belly river. If you will again state the township to which you refer your request will receive immediate attention.

The official plans of the townships west of Blood Indian reserve show areas for the quarter sections rendered fractional by Belly river. These plans must be in the Land Titles Office. Are the areas required for the full quarter sections including the portions in the Reserve?

Your obedient servant,

C. H. H. H.

I beg to advise you that my Lien covers all land owned by Mr Linder, or any he may have an interest in, and he will not be able to market his grain without paying the Government one-half his seed grain indebtedness.

Judging by the amount of land that Mr Linder claims he has under cultivation, he should have very little trouble in paying off the whole of his seed grain ... indebtedness.

Trusting this information will be of service to you,

Re. Thomas Wright Linder. Spring 1915, Alta.

I am enclosing you herewith copies of letters received from the Commissioner of Immigration which will explain this case.

The Commissioner asks that the necessary steps be taken to protect the Government's interests but I cannot see what steps this office can take other than to secure a full report in the matter for the information of the Commissioner, and I would be pleased therefore if you will obtain such report at the earliest possible date.

Mr Linder would appear to have received seed grain from the Government this season as follows: - 300 bushels of wheat and 50 bushels of oats.

Mr J.Y. Carl of the Cardston Investment Co. Ltd., states that Mr Linder did not plant more than 100 acres of wheat, and no oats. Under the circumstances it will be well to ascertain what report was made by the balance of the grain advanced to him, whether or not, in your opinion, Mr Linder is able to repay the Government, this season, for the seed grain advanced to him.

Winnipeg, December 10, 1915.

Acting under instructions of J. Bruce Walker, I proceeded to Spring Ridge, Alta., to collect from one Thomas Wright Linder, the sum of \$586.65. When I arrived at McLeod, Alta., I was informed that I was as close to where Linder was threshing, and Spring Ridge, as I would be if I went to Brockton, Alta. So on November 30, 1915, I hired an auto and drove to where Linder was threshing, which was a distance of 54 miles there and back. Thomas Linder informed me that he had sold everything to J. V. Card of Cardston, Alta., and that the Agreement had been drawn up by McDonald, Martin & McKenzie, Barristers of McLeod, Alta, and that he would come right in with me and we would take it up with them. When we arrived in McLeod, Alta., we proceeded to the above named Law Firm and they informed me that Linder had told me the truth. They then phoned Mr. Card at Cardston and told him that the Inspector was there and would talk to him. I asked him what about the seed grain indebtedness and if he had assumed the debt, which he said he had. He also said he would write J. Bruce Walker to that effect and as soon as the threshing was done he would pay. The Barristers informed me that Card was a wealthy man.

Yours respectfully,

Sir,

Re T. W. Linder.

Replying to your letter of the 10th instant, I beg to inform you that Mr. Linder signed a lien on the 7th of April last, against the N. 1/4--Secs. 16 and 21, South of Kootenay River, 5--27--W. 4th., for seed grain advance, amounting to \$534.15, besides \$32.50 for relief, a total of \$566.65, with interest at 5% from above date, this lien payable to the Honorable Minister of the Interior of Canada, on or before the 1st of January, 1916. This lien was signed by Mr. Linder and witnessed by W. J. Patterson. The lien which Mr. Linder has given not only gives security to the Crown on the land, but is also a first mortgage on the crop, having priority over all other claims. The Crown can seize this grain either in the elevator or even follow the grain to Fort William, should it be shipped there.

This will, I think explain to you what security we have, and I shall be pleased if you will give this matter your immediate attention, as you are assuming the payment of this claim.

Hoping to hear from you within a very short time,

Re: E. & 28-5-27, W.4th
H. L. Thompson.

Please see letter hereunder from the Agent of Dominion Lands, Lethbridge, with Statutory Declaration enclosed, executed by H. L. Thompson with reference to a Seed Grain lien given by one Thomas W. Linder, and registered against the land above described.

In this connection I beg to say that I have a Seed Grain lien for \$534.15, given by one Thomas Linder on Section 21-5-27, W.4th, against which there is only a small balance owing. This man when he made application for Seed Grain stated that he owned 976 acres in Sections 16, 20, 21, 27, 28 and 29.

You will observe from Mr. Thompson's declaration that the E. & Section 28 lies north of the Waterton River and that that part of Section 28, owned by Thomas W. Linder, lies south of Waterton River.

Kindly take the necessary action to discharge this lien insofar as it affects the E. & of Section 28-5-27, W.4th.

Sir,

No H. 1 26-5-27-1. 4th M.

I beg to inform you that the Agent of Dominion Lands, Lethbridge, has filed here a declaration made by H. L. Thompson of Spring Ridge, Alberta, in regard to a lien for \$524.15, which erroneously affects the title to that portion of the half section in question that lies north of the Waterton River, and to say the records here show that this lien was given by one Thomas E. Linder in connection with section 21-5-27-1. 4th M., and that portion of the H. 1 of section 28 which lies south of the Waterton River, and is, therefore, erroneously registered against the first above described land.

You are, therefore, hereby authorized and requested to release that portion of the said the H. 1 26-5-27-1. 4th M., which lies north of the Waterton River, from the lien in question for \$524.15, registered against it in error.

A copy of this letter is being sent to Mr. H. L. Thompson for his information.

Kindly advise me of the action or any take in the matter.

Gentlemen:

Abstracts of Titles covering the land
above described show the same standing in the name
of the Alberta Stake of Zion.

I am, therefore, to advise that there is
registered against title to this land certain indebt-
edness for seed grain and relief incurred by Thomas
W. Linder in 1915 on the security thereof. As there
is outstanding in connection with these advances only
the small balance of \$3.86 which, with interest computed
to the 29th instant, amounts to \$15.90, it would in
all probability be to your advantage to make payment
of the same in order to secure clear title to this
land.

On receipt of your remittance action will
immediately be taken to discharge the Liens from
title to the land above described.

Your obedient servant,

Acting Commissioner of Dominion Lands.

Dear Sir:-

I am advised by Myron L. Thompson, that a lien for \$534.15 given by Thomas W. Linder is registered against his title to the above described land. The lien in question was given by Thomas W. Linder against Sections 16, 20, 21, 27, 28 and 29, Township 5-27 N. 4th, containing 976 1/2 acres, from which it is evident that the full area of all the sections mentioned could not have been covered. Satisfactory evidence has been submitted that Thomas W. Linder never held any interest in the S. 1 of the T. 1. 1 27-5-27 N. 4th Mer., and you are, therefore, hereby authorized and requested to remove the lien for \$534.15 from title to the last mentioned land.

Encl.

In so far as the account of Myrus L. Thompson is concerned, the statement furnished is correct, according to our records. On the 12th January, 1915, Mr. Thompson made application for 150 bushels of wheat and 30 bushels of oats, but cancelled the application. He later applied for and received 30 bushels of seed oats at 85¢ per bushel, for which he signed a lien and also a receipt for delivery of the oats. In addition he received 120 bushels of feed at 70¢ per bushel, \$84.00. The only payment made was in the amount of \$30.00, the account being credited with \$49.65 after deducting exchange charged by the bank. If Mr. Thompson holds receipts for any further payments and will forward same to this office, the matter will be investigated.

It would appear that when Mr. Turner gave this

Mr. A. Soutter,
Chairman,
Seed Grain & Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir:

Re: W. L. Thompson.
Sd of H. 27-5-27-4 - West 4th Mer.
H 28 & H 33-5-27-4 - West 4th Mer.
North of Waterton River.

In the year 1912 this party obtained Seed and Fodder Advances from the Dominion Government in a total sum of one hundred and nine dollars and fifty cents (\$109.50) against which he made one repayment in the year 1924 amounting to forty-nine dollars and eighty-five cents (\$49.85), leaving a balance outstanding as at 31st of March, 1944, of two hundred and eight dollars and thirty-six cents (\$208.36).

The marginally noted lands are held as security for these advances, but the H. 27-5-27-4 is shown to stand in the name of the Municipal District of Kerr No. 39, and the other two half sections in the name of John Franklin of Macleod. The first parcel has no Dominion lien registered thereon, but the liens still appear on title to the other two properties.

It would appear that Mr. Thompson entered into a contract to purchase these properties some thirty years ago, but was so unsuccessful in his farming operations that he was obliged to turn back the land to the vendors, and there is some doubt whether the liens represent a correct charge against the H 28 and H 33-5-27-4 as I can find no trace of these properties ever having been titled in the name of Mr. Thompson.

An application has now been received from Mr. Thompson for a compromise settlement of his indebtedness under these liens, and he has forwarded to this office a sum of one

hundred dollars (\$100.00), which he requests be accepted for a discharge of the liens and in full settlement of his indebtedness.

An examination of our file in this connection shows that Mr. Thompson endeavored to effect a settlement in the year 1924, at which time, he was trying to raise funds to re-establish himself and he had then managed to effect a settlement with some of his major creditors, namely, the Imperial Oil Company, Fidelity Insurance Company and the Rural Credit Society, on a basis of 20% of his indebtedness to these creditors. The Debt Adjustment Board at that time advised him that recommendation for settlement of the indebtedness under the liens, would be made upon payment of one hundred dollars (\$100.00), but Mr. Thompson consistently put forward the contention that he had paid up this account many years ago, and he felt that the payment called for, beside being beyond his means at that time, was in excess of the amount he owed.

The case was reopened last year and negotiations have been carried on since that time with a view to effecting a settlement resulting ultimately in the payment previously referred to in a sum of one hundred dollars (\$100.00).

I understand Mr. Thompson is now interested in other properties, and, with assistance from friends, fairly well on the road to re-establishing himself although he is now quite an aged man, and requires to hire all his help. He has one son forty (40) years of age who is practically crippled, but no family assistance.

As will be seen the sum now tendered together with the payment of 1924 of forty-nine dollars and eighty-five cents (\$49.85) represents payment in full of the original advances, together with approximately forty dollars (\$40.00) interest charges, and in view of the history surrounding this case, I would recommend the check for one hundred dollars (\$100.00) hereto attached be accepted in full settlement of these liens, that the Registrar be instructed to remove all registrations from his books and that the balance of the account be written off.

Yours very truly,

W. H. H. H.

The top *per capita* gross regional product (GDP) per year in the world is in the United States. If you add up the GDP of all the countries in the world, the U.S. is still the top. Do you know why?

For the first part of the proof, let $\mathcal{C} = \{C_1, \dots, C_n\}$ be a cycle in \mathcal{C}_G . Then $\mathcal{C} \in \mathcal{C}_G$ if and only if $\mathcal{C} \in \mathcal{C}_G^{\text{cyc}}$ and $\mathcal{C} \in \mathcal{C}_G^{\text{cyc}}$ if and only if $\mathcal{C} \in \mathcal{C}_G^{\text{cyc}}$ and $\mathcal{C} \in \mathcal{C}_G^{\text{cyc}}$. Thus, $\mathcal{C} \in \mathcal{C}_G$ if and only if $\mathcal{C} \in \mathcal{C}_G^{\text{cyc}}$ and $\mathcal{C} \in \mathcal{C}_G^{\text{cyc}}$. For the second part of the proof, let $\mathcal{C} = \{C_1, \dots, C_n\}$ be a cycle in \mathcal{C}_G . Then $\mathcal{C} \in \mathcal{C}_G$ if and only if $\mathcal{C} \in \mathcal{C}_G^{\text{cyc}}$ and $\mathcal{C} \in \mathcal{C}_G^{\text{cyc}}$ if and only if $\mathcal{C} \in \mathcal{C}_G^{\text{cyc}}$ and $\mathcal{C} \in \mathcal{C}_G^{\text{cyc}}$. Thus, $\mathcal{C} \in \mathcal{C}_G$ if and only if $\mathcal{C} \in \mathcal{C}_G^{\text{cyc}}$ and $\mathcal{C} \in \mathcal{C}_G^{\text{cyc}}$. \square

SWOT analysis provides a structured approach to identifying and analyzing the internal and external factors that can impact an organization's success. It is a strategic planning tool that helps organizations understand their strengths, weaknesses, opportunities, and threats. The analysis is typically presented in a 2x2 matrix, with internal factors (Strengths and Weaknesses) on the left and external factors (Opportunities and Threats) on the right. The matrix is used to identify strategic options and to develop a strategic plan. The SWOT analysis is a key component of strategic planning and is used by organizations of all sizes to make informed decisions about their future.

It is straightforward to check that $\mathcal{L}(\mathcal{A}) \subseteq \mathcal{L}(\mathcal{B})$ if and only if $\mathcal{A} \subseteq \mathcal{B}$ and $\mathcal{A} \cap \mathcal{B}^c = \emptyset$. We have $\mathcal{A} \subseteq \mathcal{B}$ if and only if $\mathcal{A} \cap \mathcal{B}^c = \emptyset$ and $\mathcal{A} \cap \mathcal{B} = \mathcal{A}$. \square

the step $\|u\|_1 - \|u\|_2 \leq \|u\|_1 - \|u\|_2 + \epsilon$ and $\|u\|_2 \leq \|u\|_1 - \epsilon$ by the use of Lemma 4.4 and that $\|u\|_2 \leq \|u\|_1 - \epsilon$ holds for $\lambda \in \Lambda$ implies

$\mathcal{A}(\mathcal{C})$ and $\mathcal{B}(\mathcal{C})$ have not been defined previously, for a discussion of Definition 4.1.15

Noni (Santalum album) is a tropical tree native to the Pacific Islands, India, and Southeast Asia. It is a member of the Santalaceae family. The tree is known for its aromatic wood and fruit, which is used in traditional medicine and as a natural preservative. The fruit is a small, round, reddish-brown berry that grows in clusters. The wood is a light brown color and has a strong, sweet, and slightly spicy aroma. It is used in traditional medicine for a variety of ailments, including digestive problems, skin conditions, and respiratory issues. Abstract—The purpose of this study was to determine the effect of a 10-week, 1000 kcal energy deficit diet on the body composition and physical fitness of 10 sedentary, obese women. The subjects were divided into two groups: a control group and an experimental group. The control group maintained their current weight and physical fitness, while the experimental group lost 10 kg of weight and improved their physical fitness. The results of the study suggest that a 10-week, 1000 kcal energy deficit diet is effective in reducing body weight and improving physical fitness in sedentary, obese women.

Re: George Lorne McGuin,
Your File 45,401.

Dear Sir:

I have received your letter of July 10th requesting information regarding the age of the above named.

In reply I may say that although the above named did make application for entry for the NE $\frac{1}{4}$ of 2-26-29-W4th Mer., he later abandoned the land and therefore we would not have any record of his age since he did not make application for patent.

Yours very truly,

Department of the Interior.

Ottawa, 4th October, 1903

Sir, Madam

You have been recommended for patent for the S.W. 1/4 of Section 10, T^h 44. R^{ge} 22. West of 4th Meridian which, according to the official plan of survey contains an area of 160 acres, the remainder of it being covered by the waters of a certain lake. As the waters of this lake may have receded, making the land which was then covered by water more or less fit for cultivation, it is possible that you may wish to have the patent for your homestead issued to cover the full theoretical area of 160 acres, which includes the land and the land covered by water.

If you desire the patent issued in this way, on your filing with the Department here a solemn declaration, a form of which is herewith enclosed, to be made in accordance with the provisions of "The Canada Evidence Act, 1893," that the land covered by the waters of the said lake, as shown upon the official township plan, is now dry, the patent can then be issued for the full theoretical area of 160 acres, more or less.

Your obedient servant,

Mrs. Augusta Conant

Secretary.

Dear Sir

Sir

W. Lee Grant, formerly of the town of
Sethbridge, calls on me here with reference to the home-
stead claim for the country of the North East
quarter of Section 30 in Township 7 Range 10.

The Grant value at the time of the
claim nearly four years ago to get an entry to the
homestead, but as you are now the Township in
which it is situated was not then surveyed and has not yet
been surveyed, so he could not get an entry.
He has since the homestead for nearly four
years & has built a house & stable & other
improvements on the place. Further lands in the district
have been acquired by the Government, South West
Irrigation Company since the Grant commenced to

occupies the quarter section and he is anxious to
 get a letter or other authority from you to the
 effect that his rights to the homestead will not be
 interfered with and that he will get an entry to
 the land as soon as it is surveyed and his com-
 plying with the usual conditions of entry. I shall
 be obliged to you to send me such a letter or
 authority as early as possible. The survey will be
 in, I am sure, about a fortnight & perhaps you
 will be good enough to let me hear from you
 by that time. Should you require it I can get it
 from the Survey & send you a more detailed
 sketch of the facts of his occupancy.

I am,
 Sir,

Yours &c &c &c &c

Given August 13th, 1907.

Sir,

I am directed to say that your application for a patent in the Department in connection with the 2 acres in the S. E. $\frac{1}{4}$ Section 34, Township 17, Range 19, 1st Fourth Meridian requires for a school site for Last Chance School District. The patent for the above quarter-section has been issued less the 2 acres in question. Before a patent can be issued for the school site it will be necessary for the school authorities to file a formal application for the grant, and to pay the usual 50 cents fee. The full and correct description of the school district should also be furnished. I may say that patents for school sites contain a proviso that the land is to be used for school purposes only.

$K_1(W) \cong (\mathbb{Z}/2\mathbb{Z})^{n-1} \oplus \mathbb{Z}/2\mathbb{Z} \oplus \mathbb{Z}/2\mathbb{Z} \oplus \mathbb{Z}/2\mathbb{Z}$ is a direct sum of $n-1$ copies of $\mathbb{Z}/2\mathbb{Z}$ and three copies of $\mathbb{Z}/2\mathbb{Z}$ for Homestead.

1. The first part of the paper is devoted to a review of the literature on the topic of the role of the state in the development of the economy. It is found that the state has played a significant role in the development of the economy in many countries, particularly in the case of developing countries. The state has been able to mobilize resources, create infrastructure, and provide social services, all of which have contributed to economic growth. However, the state has also been criticized for its inefficiency, corruption, and lack of transparency. The paper argues that the state should continue to play a role in the development of the economy, but that it should be reformed to make it more efficient and transparent.

1. The first part of the paper discusses the importance of the study of the history of the United States. It is argued that a knowledge of the past is essential for a full understanding of the present and for the development of a sound policy for the future. The author points out that the study of history is not only a means of acquiring knowledge, but also a means of developing a sense of responsibility and a sense of civic duty.

STATEMENT

of Fodder and Seed Grain indebtedness.

Mr. J. McCracken,
S. $\frac{1}{4}$ of S.W. 10-13-5 N. 4th.Federal.

As per statement attached.

Provincial & Federal.

Advance made by the Department of Agriculture, Edmonton,
50% paid by Dominion Government under agreement.

In his application for seed grain William J. McCracken quoted the S.W. 10-13-5 N. 4th, stating that he had 10 acres broken on that quarter, but had 500 acres ready for seeding, he stated that he had bought the W. $\frac{1}{4}$ of the N.E. 5-12-5 N. 4th and S. $\frac{1}{4}$ of the N.E. 5-12-5 N. 4th from William Babington, paying \$800.00 on the purchase price. The seed advanced was 360 bushels wheat, and 34 of oats.

Security.S. $\frac{1}{4}$ of S.W. 10-13-5 N. 4th.

This is the homestead of William Jacob McCracken, patented on the 23rd May, 1918, subject to the lien for \$573.15. In 1927 there was on this land a frame house, \$500.00, stable, \$200.00, fencing, \$200.00, cultivation gone to weeds, land lying idle.

N. $\frac{1}{4}$ of S.W. 10-13-5 N. 4th.

The Department has no record of the interest of William J. McCracken in this parcel, which, together with the S. $\frac{1}{4}$ of the N.W. 10, was patented on the 10th November, 1904, to Vincent Miniszewsky. Abstract of title on file, dated the 19th November, 1927, shows the land in the name of Barbara Babington, subject to the fodder lien for \$86.25 above mentioned, given by William J. McCracken.

There is no information in our records regarding the W. $\frac{1}{4}$ of N.E. 5 and S. $\frac{1}{4}$ of N.E. 5-12-5 N. 4th, but since these parcels were mentioned in the lien for \$573.15, it is probable that the lien is registered.

It will be noted in this case that the area to be seeded, as given in the seed grain application - is very

- 2 -

is very much greater than could have been contained in the lands quoted as security, particularly when it is taken into consideration that only 10 acres of breaking was claimed on the S.W.10-13-6 4.4th.

MEMORANDUM

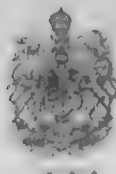

Mr. J. W. Martin,
Acting Commissioner of Dominion
Lands.

Referring to Mr. Loree's letter of the 12th ultimo, hereunder, D-MA-GP-2, I beg to state that the report on the S. $\frac{1}{4}$ of the N.W.10-13-5 W.4th was in error for the N. $\frac{1}{4}$ of S.W.10 and S. $\frac{1}{4}$ of S.W.10-13-5 W.4th. The Dominion seed grain lien does not appear against title to the N. $\frac{1}{4}$ of the S.W.10-13-5 W.4th. the file for which, together with the S. $\frac{1}{4}$ of N.W.10, was used in the report above referred to. I might add that in handling this list, the files became scattered in moving, so that only a small slip of paper with the list number and land to be reported on appeared on the file. A statement in duplicate is attached.

Respectfully submitted,

Your file No.D.No 40.

Sir:-

In reply to your letters of the 3rd November and 6th instant, I beg to advise you that the only information the Department has in regard to the H.E. 5 is that, as stated in the report furnished the Board, Mr. J. McCracken gave his 1915 seed grain lien against the "S.W. 10-13-5 W.4th, W. 1/2 of H.E. 5-12-5 W.4th and S. 1/2 of H.E. 5-12-5 W.4th", and that in his application for seed grain in that year he stated that he had bought the W. 1/2 of H.E. 5-12-5 W.4th, paying \$800.00, January, 1915, from William Habbington, and rented the S. 1/2 5-12-5 W.4th.

It is probable that the description on the lien "S. 1/2 of H.E. 5" is in error for "S. 1/2 5."

Dear Sir:-

Provincial Joint Relief.
Re: William J. McCracken,
S. 1/4 of N.W.10-13-5-4,
S. 1/4 of S.W.10-13-5-4.

This man received a Relief advance from the Provincial Government, the account of which appears as hereunder:-

| | | | |
|---------------------------|----------------|--------------|-----------------|
| Lien 4157 | April 1, 1930. | \$86.25 | |

| TOTAL..... | | | <u>\$135.93</u> |

As security for the advance a lien was registered on title to the S. 1/4 of the N.W.10-13-5-4, and the lien was also registered on title to the S. 1/4 of the N.W.10-13-5-4. Title to both these parcels of land has passed to the crown in the right of the Province by reason of Tax Recovery Act procedure. The Tax Recovery Authorities received on May 13th, 1930, an offer to purchase the N.W.10-13-5-4, for the sum of \$500.00, and on the same date they received an offer to purchase the N.W.10-13-5-4 for the sum of \$450.00, and an adjustment of the indebtedness charged against these lands is requested.

Because of the fact that the legal description of the lands affected by the various lien encumbrances is complicated, I am presenting two recommendations for your consideration.

N.W.10-13-5-4.

While the McCracken Joint Relief indebtedness is registered on title to the S. 1/4 of the above described quarter section, search of title indicates that McCracken had at no time vested interest in this land, although he may have been a renter. This land was the property of one, Barbara Babington. However, since the sale price of this property is sufficient to liquidate in full all Tax

McCracken, such amount to be paid out of the proceeds of the sale of said land.

The Board submits the report of the Director, Debt Adjustment Act, dated March 25th, 1931, which report gives full details of all liens registered against the said land and states in support of the recommendation:-

2. That it is reported that at the time the advances were made the S. $\frac{1}{2}$ of the N.W. $\frac{1}{4}$, 10-13-5-W. 4th Mer., was the property of Barbara Babbington, but that title thereto passed to the Department of Municipal Affairs, under Tax Recovery Proceedings.
3. That it is reported that the Department of Municipal Affairs have sold the said land for the sum of \$450.00; that the price paid represents the full actual value thereof, and it is desirable that the sale be confirmed.
4. That the total claims chargeable against the said land consist of:-
